Minneapolis Firemen's Association was read, and the following resolution
was passed, with instructions that I communicate the same to you.

"That this lodge is heartily in sympathy with the City
Firemen in their efforts to form an organization to protect their
interests, and strongly deprecate and consider as entirely unwarranted
the stand taken by the various interests who are opposing the formation
of such union, and are of the opinion that their action is very incon-
sistent, insofar as practically all the opposition is being made by
bodies of men who have apparently found it necessary to organize them-
selves into Boards, Associations, etc.

Moved by Bro. Johnston sec by Bro. Strong that the following resolution be forwarded to the Hon Robert Rogers Member of the House of Commons, asking him to use his best efforts in support of the passage of this proposed legislation

Hon. Robert Rogers, M.P.,
House Of Commons,
Ottawa, Ont.

Dear Sir:-

At a regular meeting of Lodge No. 127, Brotherhood of Locomotive Firemen and Enginemen, held in the City of Winnipeg, on Sunday, April 15th, the following resolution was passed;

"Whereas the Legislative Representatives of the Brotherhood of Locomotive Engineers and the Brotherhood of Locomotive Firemen and Enginemen, on behalf of the members of these organizations, have submitted to the Government a Memorandum containing requests for improved legislation;

And whereas, it is absolutely essential in the interests of safety, both to the employees in railway service, as well as to the general public, that some of these proposals should be enacted into law, and very desirable for these employees that others of the proposals should become law, especially those requests which refer to the following matters;

(a) regulating the hours of service of train service employees; (b) requiring railway companies to pay their employees semi-monthly instead of monthly; (c) and the establishment of a Boiler Inspection Division of the Board of Railway Commissioners for Canada, similar to that in effect in the United States.

Therefore be it resolved, that this lodge hereby instructs the Secretary to communicate with the Hon. Robert Rogers, Member of Parliament for the city of Winnipeg, before the opening of the coming session, requesting him to use his best efforts in support of the passage of this proposed legislation, and urging upon him the importance and need of securing the improvements outlined in the requests which are contained in the Memorandum which has been submitted.

Trusting that you will appreciate the desirability and consistency of assisting the employees in these reasonable requests, and that some definite action will be taken at the coming session in this regard, I remain,

Very truly yours,

Secretary.

Brotherhood of Locomotive Firemen and Enginemen

A. H. Hawley,
General Secretary & Treasurer

Cleveland, Ohio. July 14, 1917

RECORDING SECRETARIES AND OFFICERS,

Dear Sirs and Brothers:

Enclosed you will find a very important circular and we ask you to read it at, at least, two meetings of your lodge. You will also find enclosed several of the war waivers referred to in circular.

The action taken by the Officers in amending the Constitution is just the same as if said changes were made at the Convention, and all members must understand that on and after July 20th they are bound thereby.

We call your particular attention to matters contained in circular, and under no circumstances, are you or any officer to permit an applicant to be initiated on and after July 20th, 1917, unless there is attached to Application for Membership a waiver which must be signed by the applicant and witnessed by some member of the lodge. Under no circumstances can any one sign waiver except applicant himself. You must forward said waiver, application for membership and application for beneficiary certificate to the General Secretary and Treasurer. Unless all three (3) papers mentioned above are forwarded to the Grand Lodge we will be compelled to return what are sent and we cannot recognize applicant as a member until such time as all three papers are received at Grand Lodge office.

If an applicant refuses to sign the waiver he must be informed that until such time as he does sign he cannot be admitted.

All of the above applies to any applicant who has been elected and is to be obligated by the Local Organizer. The Local Organizer should follow the above instructions and not attempt to obligate an applicant until said applicant has signed the waiver in person.

You will understand that "NO" member will be permitted to increase the amount of his certificate during the continuation of the war. As it is the duty of the Recording Secretary to approve applications for increases, we ask said officer to decline to approve any application for increase and to inform all who apply that no increases can be made.

Any applications for increases that have been received at the Grand Lodge and would, if approved, become effective August 1st, will be returned.

With best wishes, we remain,

Yours fraternally,

Timothy Shea
Acting President.

A. H. Hawley.
General Secretary and Treasurer.
